Town of Arietta Planning Board meeting was called to order by Mary Kiewicz at 6:00 PM. The minutes of the September meeting could not be motioned on for acceptance as there were not enough members present at this meeting that were also at the September meeting. They will be approved at the next meeting.

Mary commented that at the September meeting the Mikus family approached the Planning Board about options available to them for replacing, repairing or expanding their boathouse structure. If they were to demolish it, the project would need a DEC permit and special requirements from the town for the protection of the lake. Whatever they come back with will need a variance.

Mary was not aware of anything else coming to the Planning Board.

As an FYI to Planning Board members Mary noted the ZBA will be meeting regularly on the second Monday of each month at 6PM. If there is no hearing, the members will be doing some semblance of training.

Mary has been talking with Town Board member Sarah Rudes about putting forward to the Town Board that the Planning Board members should receive some sort of stipend. Sheila Crouse suggested that if a stipend isn't approved then perhaps some kind of child care could be provided during meeting times. We are trying to get younger people involved but child care is a drawback. It is a burden to those who have kids to get child care so they can attend meetings.

Mary mentioned Bob Thomson who lives on Arrowhead Road as a possible new Planning Board member. We are once again short a member with Bill Hotaling being appointed to the ZBA.

During the winter months Mary thought the Planning Board should work on the revisions to the new codes book that we have discussed. We could also look at tackling the Subdivision regulations revision. She has not heard of any problems the community has with the revised codes book.

Mary made mention that the garden at the airport is being redone. Mary's idea was to make it a pollinating and wildflower garden right next to the playground.

We will plan on cancelling the November 8, 2016 meeting as it is Election Day and several Planning Board members will be working the polls. Unless something dire comes up consider it cancelled.

The Lloyds have purchased the property next to Tim O'Rourke's on Old Piseco Road and plan on moving their camp that is on Irondequoit Inn property there.

A motion to adjourn was made by Paul Beaudoin. Seconded by Sheila Crouse. All were in favor 3 – 0.

Respectfully submitted, Marie C. Buanno
