Called meeting to order motion by Ken Kull, seconded by Mike Cullen @ 5:06 p.m.

-Mel stated he has nothing for tonight's meeting.

-Jim handed out proposed changes to the sign draft that was sent down from the APA. These were reviewed by individual members and discussed briefly. The discussion was in reference to 6.020A4 and the need for the language to change. The sign draft has contradictions that need to be addressed, all members were in agreement to review the proposed changes from the APA and discuss further at the next meeting. Thoughts on the proposed changes should be emailed to the group to lead for a smoother discussion at the next meeting. Once we make the proposed changes, the APA will have to sign off. After that it will head for the town board approval and a public hearing.

-Short discussion with Eric on the phone to discuss stamps and where they are. Verify that proof of taxes needs to be presented prior to filing with the county.

-Jim stated that we received a letter from the county pertaining to Richard A. Wilt property line. Eric stated that there should be one more letter that we receive from the county in the upcoming months.

-Ken discussed the training that he attended that pertains to zoning. A short clarifying discussion was held between Ken and Mel to discuss the zoning for Arietta.

Jim is sending a link for the online training, after the meeting, that should fulfill everyone's yearly training needs.

Motion to adjourn the meeting by Mike Cullen, seconded by Ken Kull at 5:50pm.

Next meeting is scheduled for June 9, 2026 @ 5pm @ Piseco School.

Respectfully submitted,

Dana Ordway
