Resolution # 26-10-51

Subject: **Authorizing Purchase of REACT Live-Edge Plow Blade System as Sole Source**

Resolution Offered By: _____

WHEREAS: the Town of Arietta Highway Department provides snow removal and ice control on Town roads and, under agreement with the Hamilton County Department of Public Works, on those designated County routes within the Town of Arietta; and

WHEREAS: the snow and ice removal identified above is accomplished using Town plow trucks that are equipped with front and wing plow blades, and

WHEREAS: the Town of Arietta Highway Superintendent has determined that the REACT live-edge plow blade system provides snow and ice removal benefits not available from other similarly situated plow products, including rigid non-segmented blades, and that no product other than the REACT live-edge plow blade system would be sufficient to meet the Town's snow and ice removal needs, and

WHEREAS: by letter dated October 15, 2026, Northern Supply, Inc. of Bloomfield, New York, a New York State-based manufacturer, certifies that it is the sole source designer, manufacturer, and seller of the REACT live-edge plow blade system and all its accessories, and
